How do you get your name and your face noticed in thousands of homes all year round? Easy, with a Fridge Magnet from Printforce.

Fridge Magnets are an effective and low cost way to attract new customers while making sure you're top of mind with existing ones.

With a variety of sizes available to you, it's easy to stick around!

Emergency First Aid

UNCONSCIOUS VICTIM - Place the patient on the side, with head tilted back. If breathing, leave in this position. Call the Ambulance Service.

NOT BREATHING - Remove any obstructions from the patient's mouth. Pinch the nostrils and seal your mouth over the patient's. Breathe into the patient's lungs. Take a fresh breath each time. Give less air for children and just gentle puffs for an infant. Call the Ambulance Service.

CHEST PAIN OR DISCOMFORT - If the patient is an adult and has unrelied chest pain or discomfort, **ACT IMMEDIATELY - CALL THE AMBULANCE SERVICE, IT MAY BE A HEART ATTACK.** Meanwhile, rest the patient.

BURNS - Cool with tap water.

BLEEDING - Elevate injury and apply firm pressure over the wound.

POISONS - Ring the Poisons Information Centre.

BITES & STINGS - Ants, bees, wasps. Remove sting by pulling sideways with fingernail, wipe area clean, apply cold compress.

TICKS - Apply turpentine or kerosene over tick to kill it. If in the ear apply salad oil. Seek medical help. To remove tick, lever outwards do not squeeze.

SNAKES - Don't wash, cut or suck. No tourniquet. Seek medical aid. Keep victim at complete rest. Apply pressure bandage. Start from side, bandage away from heart, then bandage back covering as much of limb as possible.
